WITNESSETH:

IT IS HEREBY COVENANTED AND AGREED as follows:

1. Grays Harbor County requests that Lewis County perform the work listed below at a time and in a manner convenient to Lewis County and hereby guarantees reimbursement to Lewis County for all work done. Lewis County will provide all necessary labor and material and all work incidental to maintain that portion of Harris Road in Section 9 and 10, Township 15 North, Range 4 West, W.M., Grays Harbor County, State of Washington.
2. Grays Harbor County hereby agrees to reimburse the Public Works Department of Lewis County for all work done, based upon the actual cost of labor, equipment rental, and materials used, plus a fee of 5% of costs or a minimum of \$100.00 for administrative services associated with the maintenance work performed.
3. Grays Harbor County certifies and warrants that it has the legal authority to perform this work with its own forces at the location herein specified but, in fact would expend manpower and equipment inefficiently to accomplish the work.
4. It is understood and agreed that all reimbursable work as provided for hereto shall be accomplished only if such work does not interrupt or interfere with the Lewis County Public Works Department's regular schedule. This agreement shall remain effective for a period of five (5) years from the date fully executed, provided it may be terminated by either party for any reason upon 30 days written advance notice by one party to the other. Grays Harbor County shall be responsible for all costs of maintenance provided by Lewis County prior to its written notice of termination as herein provided. Road maintenance estimated to cost less the \$1,000.00 may be accomplished without prior notice to Grays Harbor County.
